

Ricky Lin

Seeking Summer 2021 Internships in Software engineering

Email: rlin75@gatech.edu

LinkedIn: www.linkedin.com/in/ricky-lin

Website: <https://ricky083.github.io/>

EDUCATION

Georgia Institute of Technology | Atlanta, GA

January 2020 – Present

Expected Graduation: Spring 2022

- Bachelor of Science in Computer Science
- Threads: Artificial intelligence, People
- GPA: 4.0 / 4.0

Coursework

- Object Oriented Programming, Data Structures and Algorithms, Theoretical foundations of computer science, Objects and Design

PROJECTS

Personal Website

Summer 2020

- Created a personal website page with a navigation bar, content area, and footer
- Utilized media queries making the landing page responsive with a combination of Flexbox and grid layout organizing the content
- Reached end goal of creating a website that was scalable from mobile to widescreen monitors
- <https://ricky083.github.io/>

Super Conductor Project

Spring 2019

- Collaborated in a team of four to create a Super Conductor utilizing liquid nitrogen to stimulate core fundamentals of Maglev trains.
- Utilized computer sensors to accurately measure and bake the compound.
- Compacted very complex ideas into digestible information and presented to fellow peers

WORK EXPERIENCE

Iron Age (Waiter) | Duluth, Ga

Summer 2018

- Assisted Managers in opening and closing duties
- Enhanced skills in customer service, teamwork, and communication

SKILLS

Languages:

- Java, HTML, CSS, JavaScript
